

Authorization for Assignment of Benefits and Information Release

I request that payment of authorized insurance benefits, including Medicare, if I am a Medicare beneficiary, be made on my behalf to the organization listed below for any equipment or services provided to me by that organization.

I authorize the release of any medical or other information necessary to determine these benefits or the benefits payable for related equipment or services to the organization, the Health Care Financing Administration, my insurance carrier, or other medical entity. A copy of this authorization will be sent to the Health Care Financing Administration, my insurance company or other entity if requested. The original authorization will be kept on file by the organization.

I understand that I am financially responsible to the organization for any charges not covered by health care benefits. This includes the refraction charge of \$35.00. It is my responsibility to notify the organization of any changes in my health care coverage. In some cases, exact insurance benefits cannot be determined until the insurance company receives the claim. I am responsible for the entire bill or balance of the bill as determined by the organization and/or my health care insurer if the submitted claims or any part of them are denied for payment. I understand that by signing this form I am accepting financial responsibility as explained above for all payment for products or services received.
